

Beat 5 JP election, school bond referendum go to voters Saturday

Managers for two elections which will take place in Hancock County voters to the polls Saturday were named this week by the election commission. Polls will be open from 7 a.m. to 6 p.m. as usual with voters in every precinct except the two in Beat 2 to cast ballots on one question or another.

For Beat 5 only is a special election to fill the justice of the peace vacancy created by the

death of Peter Chinich, candidates for the post are Albert Biehl, Carl R. Garcia, Mrs. Bea George, Richard Holmes, Lucien H. Raymond, Jr., and Nelson C. Rhodes.

Unless one candidate receives more than 50 per cent of the vote cast, a run-off election will take place among the two highest in two of three weeks, Circuit Clerk Lamar

Otis said.

Voters in all of Beat 1, 3 and 4 and those in Beat 5 residing outside the area served by the Bay St. Louis Separate Municipal School District, as well as a small group in the Flat-top area of Beat 2 not in the Pileague school district, will be asked to approve a \$375,000 bond issue for the county school system to finance three major building jobs. It is understood the Flat-top voters qualified to

vote on the bond issue will cast their ballots in the Caesar (Leavenworth) box in Beat 4.

In neither election will poll tax receipts be required, Otis noted. These are special elections and the tax slips must be shown only in Democratic primaries, he explained. Voter books also have just been purged by the election commissioners and are up to date on who has paid taxes and therefore

is qualified to vote.

Election managers named with the peace and returning officer listed last, are: Beat 1—Ansel, August Moran, Mrs. Colburn; Beat 2—Leo Ladd, Mrs. Ladd; Beat 3—Pearlinton, Mrs. D. J. Egan, Joseph Toomer, Mrs. T. P. Ward, Robert J. Duhon; Beat 4—Harry Otis, Mrs. Lollie Bell Wright, Barbara McArthur, B.N. Carver; Napo-

leon, Larry Landrum, Rupert Ray Smith, Mrs. Eaki Holden, Chris Luchie, Gainesville, Mr. and Mrs. Charles Schulz, Emil Schulz, Rufus Dawsey, Beat 5—Crane Creek (Sellers), Danford Lader, Mrs. Fay Shaw, Hilda Shaw, Olen Anderson, Dedeaux, Viola Dedeaux, Catherine Hoda, Ramsey Cameron, C. J. Cameron, Standard, Mrs. Laverne Brog. (Cont. on Page 4A.)

gala meet, Stennis due

Coast Electric Power Assn. will stage a gala 25th anniversary social meeting next Saturday, May 9, at Hancock North Central School when U. S. Senator John Stennis will be featured speaker at the afternoon business session.

An estimated 5,000 members-owners of the association which serves over 10,000 rural and suburban customers in Hancock, Harrison and Pearl River Counties are expected to be on hand for the day-long celebration.

Stennis, a leader of the Senate's "force" in the Senate and a ranking member of the Senate Space Committee, will speak at 2 p.m. His speech will be carried live by a number of local radio stations.

H. Hardin Shattuck, manager of the electric cooperative, said Hancock North Central was chosen for the meeting for a number of reasons.

FLOOD SCENE AT CARROLL, NECAISE AVENUES TYPICAL IN BAY

(Photo by Ed Fayer, Jr.)

A 24-hour storm which began in the pre-dawn hours Sunday poured 11.2 inches of rain on the Bay-Waveland area causing extensive damage and virtually paralyzing northern Hancock County as several key bridges succumbed to swollen rivers and streams.

Winds reached a peak of 72 miles an hour (hurricane force) between 10:05 and 10:15 p.m. Sunday, Brother Joel of the weather observation post at St. Stanislaus College reported.

It was 15 minutes later that a huge old live oak crashed into the kitchen of the home occupied by Mr. and Mrs. Gerard Freeman and family at 313 Ballentine St. Mrs. Freeman had just finished washing the dinner dishes and started toward the living room to listen to the 10:30 television newscast when the accident occurred.

Bridge collapses and road washouts in Beats 3 and 4 forced Hancock North Central School to close Monday as none of the school buses could bring

in the children. The situation was very little better Tuesday but all buses ran Wednesday, making various detours to cover their routes, Principal J.C. Harrell reported.

Arthur Rogers, assistant county engineer, was in the field this week checking damage and helping the supervisors mend the situation as best they could. No firm estimate of the cost involved was available.

In Beat 3 Supervisor Charles Lavinghouse reported two bridges on the Dedeaux Road completely out and many washouts along the roads. He expects to start driving pilings today to replace one of them. Several large culverts also were washed out.

At least three bridges in Beat 4 are gone, Supervisor James Nacaise reported. Bound for kidney surgery at Touloir-Hennepin in New Orleans, Nacaise said he had not had an opportunity to check in the area

THEN THERE WAS MAIL - Freshly fallen tree trunk in Tuesday afternoon's flash storm measured at 13 1/4 inches in front of Sea Coast Echo offices.

Sunday rescues test CD force

Bay St. Louis' newly reorganized civil defense organization got its shakedown cruise in Sunday's avalanche of rain when it brought to dry ground two "camping parties" stranded on Rotten Bayou north of Fenton.

Meanwhile it is continuing investigation of a reportedly false rescue call to the Coast Guard in New Orleans of a man overboard at the Bay toll bridge and a father and children adrift in the Bay of St. Louis. So far there has been no trace of who sounded the alarm which brought in a CG helicopter without need.

The call for help in the Rotten Bayou area came from the wife of Dr. Edson McCabe, Mississippi City dentist who with his two young children had left for a weekend at their Rotten Bayou fishing camp. The sheriff's office got the call about 2:45 p.m. and immediately notified City CD Chief Bert Stiefel who got his boat, Ray Stiefel and James Trevino and started for the scene. Chief Deputy Eldon Depree also went and Game Warden Pat Toomey rushed up in his truck. Two

bridges were out en route to the scene and the group finally got to the water's edge at the Charles Cantrell home at Fenton. Cantrell lent them another boat and motor and joined them in the search. Dr. McCabe and his children appeared amazed when the rescue party arrived, not knowing the severity of the storm.

In the same vicinity were Mr. and Mrs. William Johnson of Long Beach, their daughter, and Miss Etha Belle Mooney who were camping out in an old school bus which was getting into trouble with the rising tide. The two boats took the group back upstream to the Cantrell place where Mrs. McCabe was waiting.

Rescue chief John Rutherford was standing by in Bay St. Louis, maintaining communication throughout the period by citizens' band radio, and had two other boats—of Gerald Price, Jr., and Lucien Kidd—ready to send if needed. Civil defense authorities expressed some concern that of 25 boats volunteered for rescue work only three could be located in Sunday's storm and Rutherford is urging fully available ones to register with him at HO7-4244.

Learning over their radios of the Coast Guard helicopter circling the Bay while returning from Kila, Stiefel and his party proceeded to the beach and after checking reports

Pearlington delegates reassured on school

Clarification of benefits the Pearlington area can expect from passage of the school bond issue Saturday occupied Hancock County School Board at a short special meeting Tuesday night.

Afterwards three members of the unofficial Pearlington

School Committee who appeared before the board, Dan J. Egan, chairman, C. A. Russ, III, and Charles H. Hill, announced plans for an open meeting at 7:30 o'clock tonight at Logtown School to discuss the bond issue and school construction plans.

After Architect Fred Wagner explained how cost estimates for the proposed construction were made School Board President Ed P. Ortes and trustees Charles B. Murphy and S.P. Powell at different times emphasized that the board would have to follow its action as shown by minutes of its meetings, that the three items were one parcel, and that cost estimates showed the proposed school at Pearlington to be the most expensive phase of the construction program to be financed by the bond issue. Charles L. Proffer and Associates, Gulfport, was chosen to be architect for the proposed new high school by Bay St. Louis Separate Municipal School Board Monday night at a meeting called to decide which of several architectural firms interviewed in February and March it desired to employ.

Other firms which had shown interest in the job were E. L. Mahoney, Jackson, John C. Sullivan, Pileague, Cumming and Colbert, New Orleans, Oubre and Wagner, New Orleans and Bay St. Louis, and Curtis and Davis, New Orleans. The board narrowed those being considered to Proffer and Oubre and Wagner before making the decision.

Bay fire volunteers open drive

A drive to raise a minimum of \$750 for purchase of a fire engine for the volunteer crew of Bay St. Louis will get under way Friday and continue through next Thursday.

The volunteer outfit voted last week to undertake the canvass after learning it can secure a 1960 Dodge truck, fully equipped, which has been replaced by Mississippi City, Russell J. Elliott, volunteer chief, reported.

Need for additional equipment in the city was emphasized by the blazes which recently destroyed the Sonny Cuevas and James Heverling homes as well as a near total loss last week at a St. Charles Street residence, he said. In addition to assisting the regular Bay St. Louis fire department, the volunteers could go outside the corporate limits or provide stand-by aid within the city thereby releasing the Bay engine for outside fire fighting.

Elliott said Mayor John Scalfie and Commissioners J. Cyril Glover and Warren Traub have indicated they would allow the volunteers to use the vacant Webb School to store the engine and provide a meeting and training area upstairs. This, he noted, would also provide greater fire protection for the section of the city south of the railroad tracks.

The Mississippi City equipment has a 750-gallon water

Workers at 1,142 at MTO this week

Mississippi Test Operations' population went up to 1,142 this week as construction workers quickly back to the site after a brief drying-out period Monday. The Census rate there was only 7.6 inches.

The Corps of Engineers said new roads and drainage made the difference. NASA visited several groups of visiting dignitaries Wednesday and even found out in some places. Among the visitors were William Smith, head of the 5th Civil Service district from Atlanta, and Art Sanderson, personnel chief of Marshall Space Flight Center, Huntsville, Ala.

Contractor personnel went 785 this week and increases were shown in the General Electric support complement, now at 85, and the Corps on the site, at 130. Among new arrivals is W. R. Croyle, deputy area engineer, who comes from Mobile where he was assistant chief of construction for the district.

Bids were opened last Wednesday on the second S-21 foundation, the third test stand to be erected, with Lowell-Klein apparently low at \$1,229,390, and Elmer Brothers Corp. of Montgomery, Ala., second among six at \$1,260,625. Government estimate was \$1,218,933.

The Corps has called for bids May 14 on construction of a second industrial water well to supply the high pressure CEPA meet.

(Cont. from Page 1.) number of reasons. First, it is as close to the geographical center of our service area as possible. Members-owners from all parts of our tri-county area will have an opportunity to attend. Second, the facilities there are excellent for a meeting of this scope.

Registration for members will begin at 7:30 a.m. and will close at 2 p.m. The meeting will be called to order at 9:30 a.m. The agenda of business to be considered by the membership will include the election of nine board of director members for the coming year.

Entertainment will be provided by Claude King, Columbia Records recording artist, and Marion Wain, star of the Grand Ole Opry. Local radio personalities B. J. Johnson of WJWV, P. J. Johnson of WJWV, and Jim Owens of WJWV will also make appearances.

Program for the ladies will include a laundry style show conducted by Miss Judy Greener, staff home economist of Maytag Co. of Newna, La. Hancock North Central school organizations are preparing food for the all day meeting. Free lunches and sandwiches will be available at reasonable costs.

Pearlington...

(Cont. from Page 1.) tentative cost estimates prepared by Wagner are \$242,240 for Pearlington, \$222,400 for Gulfview and \$122,400 for Hancock North Central.

After County Superintendent of Education Robert Lohner read aloud the text of an advertisement the school board is running this week in the Echo the Pearlington delegation said they were reasonably satisfied, but that in the last few days there had been rumors that none of the bond issue money would be spent at Pearlington.

Architect...

(Cont. from Page 1.) School complex. He also designed Hancock North Central School for the county board.

Superintendent Joe D. McCulloch told the board he had three more teachers to recommend at its next meeting on May 11, but that the system still would need another four elementary teachers.

He also announced the 570 new seats at Tiger Stadium had been installed giving it a seating capacity of 2048.

Teen Times

Ann Lee has lead in HNC sr. play

Lots of excitement over the weekend although the Bay High junior-senior prom was probably the biggest event in eyes of teen-agers.

Pretty Judy West reigned as queen of the affair with Leroy Luke as king. . . a king in a cast, as he was unable to do more than watch the dancers due to the fact that his leg was broken in a baseball game last week. Ellen McDonald was Leroy's date. Some of the couples who were able to dance included Charlene Benigno and Ross Maurigi, Dianne Carver and Alvin Ladner, Lucette Worrell and Billy Thomas, Susan Rhodes and Leslie Blaize, Melva Luke and Larry Johnson, Lydia Dillmann and Donald Everett, Kathy Shorb and Teddo Thomas, Geraldine Kidd and Waymon Carr, Erin Heitzmann and Doc Rhodes, Peggy Musser and Johnny Penton, Judy Compretta

(Cont. on Page 5-B.)

Ann Lee as Susie McAdams, a 12 year old dynamic brat, is the central figure in *Keep It in Pigtails*, the senior play at Hancock North Central Friday night.

Curtain time is 7:30 p.m. in the school auditorium for this comedy by Jay Cobasit in which even a haunted house plays backdrop to Susie's prankish efforts to thwart her mother's two wealthy suitors. Rae Ann Favre plays Mabelle McAdams, the mother, while her swains, Rolly Sapleton and Murchinson Fogg, are portrayed by Rimer Ferguson and Keith Shaw.

Who plays *The Mad Butcher* has not been disclosed but other characters included Clinton Ne-caise as Todd McAdams; Paula Harriel as Gail McAdams; Vivian Baker, Aunt Doty; and Wanda Pippin as April Fogg.

Then there is Beasley Fogg handled by Sammy Cuevas, Pete Farley done by Berlin Ladner and Squeegs Squires by Oster Lee; while Sylvia Necaise plays Bess Farley, Myra Peterson plays Ollie Mae Squires, Teda Ladner is Gertrude Groot and Terrell Ladner, Carter Prescott.

HELP YOUR CHILDREN VOTE YES ON MAY 2nd FOR THE HANCOCK COUNTY SCHOOL BOND ISSUE

Do you want your children and the children of your community EDUCATED?

OR

DO YOU WANT TO PENALIZE THESE CHILDREN BY VOTING AGAINST THE BOND ISSUE?

IF YOU STAY AWAY FROM THE POLLS ON MAY 2nd AND DO NOT VOTE FOR THE BOND ISSUE YOU ARE ONLY HURTING THE INNOCENT CHILDREN BY PREVENTING THE CONSTRUCTION OF THESE MUCH NEEDED SCHOOL FACILITIES.

AFTER A CAREFUL STUDY OF THE PROPOSALS MADE BY THE HANCOCK COUNTY SCHOOL BOARD AND ENDORSED BY THE STATE DEPARTMENT OF EDUCATION, THE PARENT-TEACHER ASSOCIATIONS OF HANCOCK NORTH CENTRAL AND LOGTOWN SCHOOLS AND THE CO-OP CLUB OF THE GULFVIEW SCHOOL HAVE DECLARED THIS BOND ISSUE TO BE ESSENTIAL FOR THE HANCOCK COUNTY SCHOOL DISTRICT TO PROPERLY PROVIDE FOR THE EDUCATION OF OUR CHILDREN.

THE SMALL MILLAGE ADDED TO YOUR TAXES WILL NOT EXCEED \$2.00 YEARLY TO THE AVERAGE TAX PAYER -- SURELY THIS IS SMALL ENOUGH TO INVEST IN THE FUTURE WELFARE OF YOUR LOVED ONES.

THE FOLLOWING ARE EXCERPTS FROM THE HANCOCK COUNTY SCHOOL BOARD MINUTES REFLECTING A UNANIMOUS VOTE OF THE BOARD MEMBERS SHOWING EXACTLY WHAT WILL BE DONE WITH THE \$375,000.00 BOND MONEY, ALONG WITH OTHER MONIES NECESSARY TO COMPLETE THE ARCHITECT'S PLANS FOR THE COUNTY SCHOOLS:

"It having been determined that the Logtown School has been condemned by the National Aeronautics and Space Administration and can no longer be used for school purposes and that it is necessary to replace this school with a school consisting of eight (8) classrooms, cafeteria, gymnasium and related facilities necessary for the conduct of an elementary school. Further, that it has been concluded that due to the crowded conditions and the increase anticipated it is necessary to construct ten (10) additional classrooms, cafeteria, renovate and repair the existing gymnasium and conduct the general repairs to Gulfview School. In addition thereto it is also necessary to purchase additional land for expansion purposes of said school. It has been further determined that there is an existing need at North Central High School for four (4) new classrooms, a bus shop, landscaping and repairs to existing buildings, and WHEREAS, it has been determined that there will be available to the

Board the sum of approximately \$150,000.00 to \$200,000.00 from the National Aeronautics and Space Administration for the school condemned, and that an additional sum of \$375,000.00 will be necessary to accomplish the aforesaid purposes." (Taken from the Minutes of the Hancock County School Board Meeting held April 6, 1964.)

"BUILD A COLORED SCHOOL

Mr. E. P. Ortte moved and seconded by Lamar Lee to go on record to build a colored school in Hancock County district. Motion Carried." (Taken from the Minutes of the Hancock County School Board Meeting held on November 23, 1963.)

Mr. Fred Wagner, Architect, estimates the cost of the three construction projects as follows:

| | |
|-----------------------|--------------|
| Pearlington School | \$242,240.00 |
| Gulfview School | \$222,600.00 |
| Hancock North Central | \$122,400.00 |

We, the Hancock County School Board pledge to the citizens of the County School District, that we will complete all plans as above proposed on a very conservative basis accounting for every dollar expended. We are endeavoring to meet the obvious needs of each school by expanding their facilities. The Mississippi Accrediting Commission is setting forth more rigid standards and requirements each year for accreditation of schools. Since our County Schools are accredited as a whole unit and not simply by one of the schools, we must see that each school is improved and its needs are met in order to maintain accreditation. Gross over-crowding and inadequate, worn-out facilities will not meet the standards!

WE ARE DOING AND SHALL CONTINUE TO DO OUR PART WILL YOU DO YOURS?

IF WE ARE EVER TO PROGRESS AND STAY ABREAST OF OUR TIMES, IT IS IMPERATIVE THAT WE MAKE THESE IMPROVEMENTS! THE NEED IS HERE! -- THE CHOICE IS YOURS!

VOTE YES ON MAY 2nd - VOTE FOR YOUR CHILDREN!

Signed: Robert F. Ledner, County Superintendent of Education and Hancock County School Board; Ed. P. Ortte, President; S. P. Powell, Vice-President; Lamar Lee, Legis Necaise and Charles Murphy

Bay boxers finish 1st over 2 foes

Bay Boxing Club defeated the Houma, La., Athletic Club four bouts to two Saturday night at the National Guard Armory. In a nine bout card the other three matches were between Houma and boys from Hattiesburg who won two.

In the main go of the evening battle, barefoot Buck Marquar won a unanimous decision over rugged Horace Eschete of Houma. Buck, being a little over-anxious to put his opponent away, could not quite land the big one and had to settle for a decision.

In the semi-windup Harvey Mitchell of the Bay Club started slow but came on fast in the third round to TKO his opponent. In one of the best fights of the night Jack Townsend of Hattiesburg and Larry Eschete of Houma gave the fans a good show as they rocked each other repeatedly with Eschete of

Houma winning a split decision. Judges for the contest were Norvin Fayard, Dr. J. R. Broussard and Curtis Colston. Timekeeper was Wesley Price. Terrell Randolph, Golden Gloves official, refereed, and ring announcer was Robert Ladner, county superintendent of education.

An invitational tournament is tentatively scheduled for May 7-9 at the armory.

Donald Marquar, named outstanding novice fighter of the recent Mid-South tournament in Tennessee, was unable to get a match.

Results as follows: 60 pound Donnie Bourgeois, Bay, lost decision to Peanut LeBlanc, Houma; 85 pound-Peter Dougherty, Bay, won decision over Robert Reed, Houma; 85 pound-Lester Dougherty, Bay, won decision over Jockin Benoit, Houma; 125 pound-Art Powell, Hattiesburg, won on first round TKO over Johnny Price, Houma; 135 pound-Ronnie Mixon, Hattiesburg, won decision over Billy Jones, Houma; 130 pound-Jack Townsend, Hattiesburg, lost decision to Larry Eschete, Houma; 140 pound-Emile Bourgeois, Bay, lost decision to Steve Broussard, Biloxi-155 pound-Harvey (Cont. on Page 8-B.)

Judge Lunsford Casey

Candidate For

Supreme Court Judge

Southern District of Mississippi

Judge Lunsford Casey, Circuit Judge of the 18th Circuit Court District has formally announced his candidacy for Supreme Court Judge for the office held by the late Justice Lee Hall. Judge Casey is the son of the late Mr. and Mrs. B. D. Casey, prominent Laurel citizens. His father was engaged in railroad work for more than fifty years.

A graduate of Laurel High School, Jones Junior College and the University of Mississippi, with B.A. and L.L.B. Degrees, Judge Casey began the practice of law in 1936.

During World War II he was in service over four years, with one year in the China theatre.

In addition to his experience as a practicing lawyer Judge Casey has served as City Judge and County Judge, and is now in his third term as Circuit Judge.

During his terms on the bench Judge Casey has consistently sought to improve judicial administration. His decisions have been consistently in accordance with the Mississippi Constitution, and he is widely known for his fairness and advocacy of good law enforcement.

His civic and fraternal activities include: Member of Mississippi and American Bar Association; Mason; Knights of Pythias; P.T.A. and Army Reserve. He is active in the First Baptist Church, having served as Sunday School Superintendent and for many years as a teacher. He is a member of the V.F.W., American Legion and Rotary Club.

Judge Casey is married to the former Miss Muriel Terry, daughter of Mr. and Mrs. T. B. Terry, Pass Christian, Miss. His formal announcement follows:

To the people of the Second Supreme Court District:

On June 2, 1964, the electors will determine who shall have the high honor of serving them as Supreme Court Judge.

This office is one of heavy responsibility, requiring a man in excellent mental and physical condition. With full realization that the integrity of our courts must be protected and knowing that justice must be rendered fairly and impartially to all alike, and as the only experienced trial judge in this race, endeavoring to move up the judicial ladder through humble service, I have qualified as a candidate, subject to the will of the people of this Supreme Court District.

It shall be my purpose, in the future, as in the past, to impartially administer justice in accordance with the Mississippi Constitution to the best of my ability, knowing that I may not be perfect in every decision, yet always striving in a Christian manner to do justice and thus maintain the respect of the people and the integrity of our courts.

It is a known fact that a Circuit Judge deals daily with the problems of the average man, comes face to face with them in the trial court, and is close to the people. It follows that the Supreme Court will be strengthened, will understand better the problems of the people, and will be enabled to best serve all our citizens if a Circuit Judge is elevated to the court.

While it is impossible to personally see every elector, I will try to see as many of you as time and court duties permit. Should I fail to see you, please consider this as my personal appeal to each of you to investigate my qualifications and to compare my judicial experience with that of my sixty-six year old opponent. Should you determine it to be to your best interest to permit me to serve as Supreme Court Judge, then I earnestly request your influence and vote in my behalf.

Sincerely yours,
LUNSFORD CASEY
